Make and Take Activity

<u>No Pirates Allowed Said Library Lou</u>
By Rhonda Gowler Greene

Other Suggested Ideas:

- Create a flow map of the sequence of activities that occur in the story.
- Create a bubble map of the characteristics of Big Pirate Pete
- Create a double bubble map comparing Big Pirate Pete at the beginning of the story to the end of the story
- Create a circle map to brainstorm adjectives that describe Big Pirate Pete

Make and Take Activity:

- Take a small brown paper bag and cut down one side of the bag to create an open side to make a book.
- Cut off the bottom of the bag.
- Develop the inside of the book depending upon how you plan to use it.
    - Add pages and use it for students to create a circle map of each book read around a topic, theme, or even just for AR.
    - Use the inside of the brown paper bag to draw a large treasure map where the students will record the books they have read throughout a unit, quarter, etc.
